

CAPITAL MEN

STEPHEN GRILLEY

Capital Men loaded a nine-passenger van with grocery bags overflowing with food and other supplies, coats and jackets, socks, and blankets in preparation to reach those living in homeless encampments in Sacramento County. Just as the 9th man climbed into the van, a 10th man emerged and asked “Is there room for me?” Absolutely!

Now packed full of expectancy and humility, Pastor Armen covered us and the mission with prayer, and we departed Capital Christian Center.

The mission:

- 1) to deliver all the purposefully selected food and supply items
- 2) to initiate gentle human contact with handshakes and hugs
- 3) to connect with, love on, and pray over as many sisters and brothers as possible

Ninety minutes and four encampment stops later, mission accomplished! During our debrief, it was obvious that this was not a one-and-done service act. Many willingly received hands-on prayer for protection, healing, restoration, and accepted Jesus Christ into their lives! This mission WILL continue monthly; we are just getting started!

One man stated: “We are so blessed that Pastor Armen had the vision to put this together; this was a life-changing day for many.”

Capital Men choose to believe we are God’s instruments used intentionally and purposefully to fulfill God’s plan. We GET to be of service! Join the Capital Men’s group today!
